

Support Engineer On-Site W10

Function type: Vast **Location:** Waver / Rixensart
Duration: 12m **Reference:** 202108485

Description:

For our customer we're looking for a talented Support Engineer On-Site.

In the first place we're looking for candidates with the "Anankei DNA".
Our DNA embodies a positive and joyful attitude.
Dream IT , Trust IT, Go for IT !

You'll be a crucial part of the local IT team and you'll take care of the daily support towards the local end-users.
As an On-Site Support Engineer you'll treat all the first & second line support questions and problems in a professional and mature manner.

For this position you'll be expected to handle tickets, help end-users at their desks and take calls.
Take into account that most of the issues will be W10 related.

Requirements:

Your skills :

- Great knowledge of W10 / 7 / 8
- MS office apps
- Good knowledge of Active Directory
- DNS/DHCP knowledge
- Remote desktop
- Teamviewer
- Mobile device management
- WAN/LAN
- VOIP
- PC hardware

Languages :

- French and English are a must!
